

Eltex® B4922/40N3000

High Density Polyethylene

INEOS Olefins & Polymers Europe

Technical Data

Product Description

ELTEX® PE 100 Stripe Products

Coloured stripes are often co-extruded on black pipe to enable the end use to be identified. The appropriate stripe products are available for use with the TUB 121 PE 100 series pipe compounds as listed below.

Applications:

- For identification of Gas/Water/Sewer applications
- Designed for use with TUB 121N3000

Benefits and Features:

- Coloured stripe compounds for use with PE 80 compounds
